Admission Statement

The school does not discriminate on the grounds of;

- Disability
- Gender reassignment
- Race
- Religion or belief
- Sex
- Sexual orientation
- Special educational need or disability

Children are admitted to the Reception class in the September following their fourth birthday or at any time after their fourth birthday if there is a vacancy and if parents agree. Pupils enter Primary phase in the September following their fifth birthday. The school will discuss entry requirements during the admissions interview. Pupils can be admitted at any time during the academic year if there is a vacancy in the appropriate age group.

Class sizes are low to facilitate the learning and development needs of every pupil. The maximum for each year group is 15 students. Depending on current cohort, teaching groups or classes may be mixed age and will always be mixed ability.

The school is selective. All pupils will be interviewed as part of the application process and will be required to attend at least one taster day designed to ascertain if the school is the right choice for the child. If children are transferring from Little Barn Owls nursery group and we are familiar with the family a taster day may not be necessary. The interview will help the school to assess pupils' readiness for learning, reading and communication skills and attitudes to school. Prospective parents are encouraged to discuss any application with the headteacher/proprietor who will be happy to provide appropriate guidance. Prospective parents are also encouraged to declare any special needs or learning difficulties and provide any medical reports if available. This ensures that reasonable adjustments are discussed if required. At least one parent will be required to attend a meeting with

the headteacher/proprietor to ascertain that both the school and the parents' educational values are aligned. This ensures that our families agree with the philosophy of our school before making a decision about registering their child to be considered for a place.

Parents wishing to make an application to the school should contact admissions via email (admissions@atelier21schools.co.uk) or telephone to request an admissions pack. Applications for the next academic year should be received by the end of January. On acceptance, a deposit of £500 is required to reserve the place. If parents wish to withdraw their child from school, two term's notice is required. Notice to withdraw must be received before the first day of the term, allowing for the two-term notice period. If age groups are over-subscribed the school will maintain a waiting list and prospective pupils can be admitted to school if a place becomes available in the desired age group.

Families will be invited to apply for a place on a first come-first served basis. Siblings will be given priority for places as will children from the Little Barn Owls Nursery Group or their siblings. Siblings are considered to be older brother or sister, adopted brother or sister, half brother or sister, step brother or sister, the child of a partner or carer where the child is living in the same family unit at the same address as the sibling.

On admission to the school, parents are expected to be honest about their child's behavioural or Special Educational Needs. If the School finds that the child has behaviour or Special Educational Needs that exceed those that reported by parents and agreed on with the School as being as a level that the School is resourced to meet, the School reserves the right to re-consider if the resources available at the School can meet the needs of the pupil long term. If such decision is made parents will be consulted and a targeted plan within a given time frame will be set by the school to consider if a long-term placement for the pupil is indeed possible. If at the end of the given time frame, likely to be minimum of 1 month, the School reserves the right to terminate the pupils place on the provision that the School does not have the adequate resources to support the pupil. If this decision is made it is to avoid a breakdown in relationship with the family involved and to act in the best interests of the pupil long term.
